Nina Magon Unveils Custom Bergdorf Goodman Fixtures

Nina Magon has brought her signature brand of style and opulence to New York City's hub of metropolitan luxury shopping. A pillar of Manhattan retail, Bergdorf Goodman has opened its residency lounge to a display of the Houston-based designer's collaborative lighting fixtures with Studio M and her home product line among brands like Hermès and Baccarat.

In addition to the display of products and catalogs, two show-stopping custom statement pieces were installed at the upscale department store. Designed by Magon and Studio M, these bespoke pink fixtures will permanently reside on Bergdorf's seventh floor.

Since partnering with Studio M in 2021, Nina Magon has already collected numerous awards and rave reviews, making this residence at such a historic Manhattan retail space just the latest in an ever-growing series of triumphs.
