

BRIGHT IDEAS

Lighting Design Competition

Student Application

Competition: Design a contemporary pendant, sconce or LED for indoor or outdoor that could be mass-produced and sold in today's market. This fixture should be marketed for the middle to upper middle class markets.

By submitting a design for consideration, I hereby agree and acknowledges that any and all intellectual property rights that exist in such design, including any patent, copyright, trademark, trade dress, trade secret, know-how, or other such rights, shall be the exclusive property of Maxim Lighting International. I agree to assist Maxim to obtain, perfect, and maintain all intellectual property rights covering such design that Maxim seeks to protect, and shall execute all documents and do all things necessary to obtain for Maxim all such intellectual property rights. I hereby assign to Maxim Lighting International all right, title, and interest in and to the design hereby submitted, including any and all intellectual property rights, including any patent, copyright, trademark, trade dress, trade secret, and other such rights, in and to the design. I represent, warrant, and acknowledge that I am the sole owner of the entire right, title, and interest in and to the design hereby submitted, including any and all intellectual property rights that exist in such design, including any patent, copyright, trademark, trade dress, trade secret, know-how, or other such rights, that I have not copied or otherwise misappropriated such design from any third party, and that you have the authority to grant the assignment set forth herein.
