

## Dimming Capability and Maximum Run

### Maximum Length Dimming Using Dimming Controller and Driver

Series	Max Run	Driver	Controller
Ultima Star 24	13	53313 or 53318	53393
Elite Star 24	20	53313 or 53318	53393
Channel Star 24	13	53313 or 53318	53393

### Maximum Length Dimming Using Dimmable Driver

Series	Max Run	Driver
Basic Star	33	53310
Aqua Star 24	33	53316
Channel Star 24	22	53314
Elite Star 24	33	53314
Ultima Star 24	22	53314

Please note we have smaller dimmable drivers and smaller standard drivers which will produce smaller run lengths. The above chart is only for maximum run capabilities.
