Energy Efficiency

CA California
T24 Title 24

All new homes, additions, alterations and most commercial buildings in California must meet minimum energy efficiency standards contained in Title 24, Part 6 of the California Code of Regulations. When you see the California Title 24 symbol next to a Maxim Lighting fixture, you can be assured that the fixture complies. More information on California Title 24 can be found on the California Energy Commission web site at energy.ca.gov/title24.
