## STEP INTO THE SPOTLIGHT

---

Whether you're lighting an entire home or looking to make a room shine, Maxim Lighting Group has the expertise and lighting solutions to be your total lighting resource. Our diversified knowledge and experienced team welcomes inquiries from the building industry, hospitality, retail, and interior design professionals facing unique or challenging lighting needs.

Our collection won't just be a reliable resource but spark fresh ideas, and we're here to collaborate with you on every aspect of your next project. From personalized recommendations to expert advice, our dedicated team is ready to support you every step of the way. If you're looking for something truly unique, our ability to create entirely custom pieces will bring your vision to life. With nearly 50 years of experience and a family legacy built on a customer-first approach, we're committed to turning your lighting dreams into reality.

Lighting that Completes the Build —  
Maxim Lighting for Every Home

Nordic Collection  
Builder: Van Daele Homes

“ With a relationship that spans over 14 years, it would be our recommendation to look at their program to the builder trade. Maxim is in touch with the market needs of the production builder and has the service to support it. ”

Barry Rehm  
Director of Purchasing  
VAN DAELE HOMES

## Maxim Mission Statement

At Maxim, we inspire joy in every home and empower people and businesses to thrive.

By creating lighting solutions that enhance daily life, we help families experience the beauty of home and unlock their fullest potential. Together, we're building a brighter, more meaningful future for all. To share a journey, values, and craftsmanship behind each piece in its history.

### Fans: Form and Function in every turn

At Maxim, ceiling fans enhance your space with style, functionality, and innovation. From classic designs to Fan-delights with elegant lighting and high-performance fans, we offer options for every taste and budget. Crafted with premium materials and versatile controls, our fans deliver efficiency and year-round comfort.

### Recessed Look, Surface-Mounted Simplicity

For homeowners who love the look of recessed lighting but want to avoid the cost and complex installation, Maxim offers surface-mounted fixtures as the perfect solution. These products deliver high performance while enhancing your space's architectural appeal. With features like edge-lit technology to reduce glare and designs that blend seamlessly into the ceiling, you get the sleek look of recessed lighting without the hassle. Engineered for optimal lighting, these fixtures offer ample illumination, lasting efficiency, and a stylish, elevated feel.

### Under Cabinet Lighting

Cabinet lighting is a versatile home necessity. It functions as a light source in hard-to-see places, but also as an accent in any kitchen, office or bathroom. Not only does it create beautiful ambient light, but it is also easy to install.

## JOIN THE MAXIM FAMILY

### TRUST

Maxim Lighting stands as the ultimate lighting destination, renowned for its unwavering dedication to exceptional customer service and groundbreaking expertise in lighting research, design, and innovation.

### DISTRIBUTION

Maxim empowers developers to stay on schedule with the support of approximately 1 million square feet of strategically located bi-coastal warehouses, ensuring a remarkable 95% fulfillment rate for fast and reliable product delivery.

### PROJECT SOLUTION

The MultiMax Program delivers tailored solutions for your project, offering expert product selection, customized lighting layouts, and energy-efficient, budget-friendly options to ensure optimal performance and value.

### INNOVATION

Maxim Brands leverages the latest technology to develop innovative lighting solutions, including decorative LED designs, ongoing product enhancements, and the groundbreaking Vivex outdoor series—engineered to be non-corrosive, UV-resistant, and durable in harsh climates. Additionally, the brand offers advanced light control solutions to enhance functionality and efficiency.

### DEVELOPER REWARDS

The MultiMax Program helps clients save with a wide product range, energy-efficient solutions, budget-friendly options, and a rewarding Rebate Loyalty program.

### Indoor Lighting: Elevated Everyday Options

Lighting transforms the way we experience spaces—creating dramatic silhouettes, a cozy glow, or the perfect ambiance for connection and comfort. At Maxim Lighting, we've spent decades perfecting on-trend designs that balance style, reliability, and affordability. Every fixture is thoughtfully designed and expertly crafted, blending timeless style with modern innovation. Our design-driven collections offer something for every taste, from elevated everyday lighting to statement pieces that inspire.

“ D.R. Horton is pleased to have Maxim Lighting Group Companies as its exclusive lighting supplier. I believe that the Maxim/ET2 offerings combined both traditional and contemporary designs. Those characteristics help maintain high value in D.R. Horton and Emerald homes. Maxim representatives have worked with us to make sure that our production schedules and product needs are being met. ”
