PENEL OPE

PENELOPE

Soft scallops shape graceful Off White linen shades, bringing a sense of warmth and quiet charm to this timeless collection. Gentle curves soften the clean drum silhouette, creating an inviting balance between classic tailoring and relaxed elegance. Offered in multiple sizes with coordinating flush mounts and wall sconces, the collection layers effortlessly throughout a home, delivering refined comfort and understated sophistication to bedrooms, dining spaces, hallways, and beyond.

- *Soft scalloped Off-White linen shades*
- *Refined drum silhouettes with gentle curves*
- *Multiple size options for layered design*
- *Coordinating flush mount and wall sconce options*
- *Versatile styling for traditional and transitional interiors*

VALETTE

Inspired by the enduring elegance of Williamsburg chandeliers, this collection reinterprets a beloved American classic through a fresh, coastal lens. Graceful arms sweep from a central sphere, supporting hand-strung bleached rope shades that bring warmth, texture, and artisanal character. Finished in Natural Aged Brass, the metalwork provides a refined foundation, while oversized ball finials crown each shade with a modern decorative touch. Blending French country charm, classic Americana, and relaxed coastal influence, the collection feels both familiar and newly relevant.

- Inspired by traditional Williamsburg chandeliers
- Hand-strung bleached rope shades add texture and warmth
- Natural Aged Brass finish throughout
- Oversized ball finials create a distinctive decorative detail

DUNBRIDGE

DUNBRIDGE

Inspired by beloved silhouettes that first defined the Kismet House aesthetic, this collection returns with greater presence and refined intention. A more substantial frame in Antique Bronze, Polished Nickel, or Weathered Brass anchors the design, while larger-scale fabric shades introduce softness, depth, and dramatic proportion. Choose an oversized Off-White linen shade or pleated floral patterns in Olive or Soft Blue, plus a scalloped gingham in Rustic Beige. The result feels both familiar and renewed, where tailored structure meets expressive materiality.

- Substantial, classically inspired frame
- Four curated shade textiles, including pleated florals
- Scalloped gingham shade in Rustic Beige
- Available in Antique Bronze, Polished Nickel, Weathered Brass
- Pin-up wall sconce with horizontal articulation
- New pleated white shade

SEACLIFF

SEACLIFF

The Seacliff collection blends coastal charm with transitional elegance. Its centerpiece features twisted cotton strands, filtering light beautifully while adding texture and visual interest. Above and below the band of cotton twine, an Off-White linen shade softens the glow for a warm, inviting ambiance. The supporting rod is wrapped in matching rope-like material, accented with Natural Aged Brass metal details that elevate the design. Perfect for adding a refined, neutral touch to any space.

- Hand-strung Twisted Cotton Strands details
- Off White linen fabric shade
- Natural Aged Brass accents
- New 60" linear chandelier

AVELINE

AVELINE

Designed as a versatile companion to a wide range of interiors, this wall sconce collection celebrates the beauty of natural texture through hand-strung rope shades wrapped around clean cylindrical frames. The simplified silhouette allows the artisanal craftsmanship to take center stage, casting a warm, inviting glow while complementing both traditional and contemporary settings. Relaxed yet refined, the collection brings an easy, coastal-inspired character that layers effortlessly with other decorative lighting throughout the home.

- Hand-strung rope shades with artisanal texture
- Clean cylindrical profile for broad design compatibility
- Complements coastal, transitional, and traditional interiors

PLINTH

PLINTH

Celebrating the timeless beauty of natural stone, Plinth pairs softly rounded forms with the quiet luxury of Spanish alabaster. Each oval slab is illuminated from behind, revealing intricate veining, organic character, and a warm ambient glow unique to every piece. Framed in Dark Bronze or Natural Aged Brass, the design balances sculptural simplicity with rich materiality. Offered in 15" and 24" lengths, Plinth brings an architectural presence to interiors while transforming natural stone into a luminous work of art.

- *Genuine Spanish alabaster with unique natural veining*
- *LED backlighting enhances the stone's translucency*
- *Elegant oval profile with sculptural simplicity*
- *Available in Dark Bronze or Natural Aged Brass*
- *Offered in 15" and 24" lengths*
- *Each fixture is naturally unique due to stone variation*

SLAB

SLAB

Natural stone and simple geometry come together in Slab, a collection that transforms Spanish alabaster into a luminous architectural statement. Backlit LED illumination reveals the stone's delicate veining and natural translucency, creating a warm glow that feels both refined and organic. The clean circular form allows the material to take center stage, while Dark Bronze and Natural Aged Brass finishes provide a sophisticated framework. Offered in four diameters ranging from intimate accent sizes to larger statement pieces, Slab brings timeless elegance and material richness to modern interiors.

- *Genuine Spanish alabaster with unique natural veining*
- *LED backlighting highlights the stone's translucency*
- *Clean circular profile with architectural simplicity*
- *Available in 5", 7", 9", and 12" diameters*
- *Offered in Dark Bronze or Natural Aged Brass finishes*
- *Each fixture showcases the one-of-a-kind beauty of natural stone*

BELLMORE

BELLMORE

Bellmore distills the traditional foyer lantern to its most essential form. Gracefully curved arms outline the silhouette of a classic bell while supporting a tapered Clear glass shade that feels light, open, and effortlessly elegant. Minimal detailing and clean proportions allow the design to complement a wide range of interiors, from transitional to modern farmhouse. Offered in two sizes and three versatile finishes, Bellmore delivers timeless appeal with understated sophistication. A convertible pendant easily transforms into a flush mount, extending its versatility to spaces where ceiling height is limited.

- Bell-inspired lantern silhouette with minimalist styling
- Tapered Clear glass shade maximizes light output
- Available in Matte Black, Satin Nickel, and Natural Aged Brass
- Offered in two pendant sizes for layered applications
- Convertible pendant-to-flush mount design

MCCADDEN

McCADDEN

A classic lantern silhouette is refined through a layered, two-tone composition that feels both timeless and current. An outer framework of Natural Aged Brass gracefully arches around an inner Matte Black cage, creating depth, contrast, and architectural presence. Clear glass panels showcase the warm glow of candelabra lamps within, while streamlined proportions soften the form for transitional interiors. Equally at home in traditional, modern farmhouse, or updated classic settings, the collection brings stately elegance with a lighter, more tailored perspective.

- Layered two-tone frame in Matte Black and Natural Aged Brass
- Classic lantern silhouette with updated transitional styling
- Clear glass panels maximize light and visibility
- Decorative candelabra cluster creates timeless appeal
- Ideal for transitional, modern farmhouse, and classic interiors

CLIFTON

Clifton pairs classic foyer presence with clean open-air cage styling for everyday living. Scaled to make an impact without excess, each piece offers a simple yet elegant statement that suits a wide range of interiors. Finished in Black, Natural Aged Brass, or Satin Nickel, the designs blend traditional form with versatile appeal. Larger-scale silhouettes fill vertical spaces with balanced proportion, making Clifton an approachable, elevated solution for entryways, stairwells, and open living areas.

- Open-air cage frames with classic appeal
- Three popular finishes for easy coordination
- Scaled for foyers, stairwells, and living areas
- Simple lines with elevated detailing
- New linear chandelier

REGALIA

REGALIA

Layers of hand-applied gold leaf teardrop panels cascade in luminous tiers, creating a silhouette inspired by the pageantry and ornament of royal military regalia. Suspended from refined square-link chain, sculptural frames circle the light source within, adding depth, movement, and a sense of quiet grandeur. The interplay of layered metal and warm illumination creates an elegant rhythm of shadow and glow. Offered in multiple chandelier forms, a linear chandelier, and two scales of wall sconces, the collection brings dramatic presence and timeless sophistication to interiors.

- *Hand-applied Gold Leaf teardrop panels*
- *Layered frames create depth and dimension*
- *Square-link chain adds tailored detail*

ARDEN

ARDEN

A classic bell-shaped lantern is reimagined with clean folding bands of flat sheet metal for a refined architectural look. Within the open silhouette, a cluster of candelabra lamps adds warmth and visual depth. Offered in Black, Satin Nickel, and Natural Aged Brass, the designs balance traditional form with modern simplicity. A convertible single pendant adapts easily into a flush mount for smaller spaces, making Arden a versatile, elevated solution across interiors.

- Bell-inspired lantern with modern metal bands
- Clustered candelabra lamps for warm illumination
- Available in Black, Satin Nickel, Natural Aged Brass
- Convertible single pendant to flush mount
- New linear chandelier

Linear Pendant

A

MELROSE

A sleek, open-air silhouette is defined by striking two-tone contrast and refined linear form. Bands of Natural Aged Brass line the interior of Matte Black or Matte White frames, revealing unexpected warmth along the intersecting arms. The layered finishes create visual depth while softly amplifying the glow within the structure. Clean, architectural, and effortlessly modern, Melrose brings subtle drama and contemporary polish to kitchens, dining rooms, and open living areas.

- Two-tone frames with brass interior bands
- Open-air silhouette for a light, modern feel
- Strong architectural lines with soft glow
- Ideal for dining, kitchen, and living spaces
- New linear chandelier

GRIDLINE

GRIDLINE

Clean geometry and open-air construction define this refined lantern-inspired collection. A simple squared frame outlines the light source without glass, creating an airy architectural presence that feels both timeless and contemporary. Offered in a range of chandeliers, pendants, sconces, and elegant linear configurations, the collection emphasizes proportion, balance, and unobstructed illumination. Finished in Satin Nickel, Matte Black, or Natural Aged Brass, the designs bring understated sophistication to dining spaces, kitchens, entries, and gathering rooms where simplicity becomes a statement.

- *Open-frame design with no glass panels*
- *Clean squared geometry with architectural appeal*
- *Available in Satin Nickel, Matte Black, and Natural Aged Brass*

SINCH

SINCH

Simple geometry and thoughtful proportion give Sinch its quiet appeal. Satin White glass is gently drawn inward at the center, creating an hourglass silhouette that feels both familiar and distinctly modern. Suspended from slender rayon fabric cords, the pendants bring a soft decorative presence to kitchens, dining spaces, and bedside applications, while the coordinating wall sconce extends the look throughout the home. Available in Matte Black, Satin Nickel, and Natural Aged Brass, Sinch proves that the simplest forms are often the most enduring.

- Distinctive hourglass-shaped Satin White glass
- Two pendant sizes for layered applications
- Rayon fabric cord suspension adds tailored detail
- Coordinating wall sconce for whole-home continuity
- Available in Matte Black, Satin Nickel, and Natural Aged Brass
- Clean transitional styling suited to a wide range of interiors

HOLLIS

HOLLIS

Rooted in nostalgic farmhouse styling, Hollis brings warmth and familiarity through thoughtfully crafted details and timeless forms. A decorative yoke gracefully supports glossy enamel shades in Glossy White or Glossy Black, while curved arms and refined metalwork lend a sense of heritage and character. Available as a 12" pendant and coordinating bath sconces, the collection strikes a balance between vintage inspiration and everyday versatility. Finished in Natural Aged Brass, Hollis delivers inviting charm with an elevated, tailored feel.

- Decorative yoke detail inspired by vintage lighting
- Glossy White or Glossy Black enamel painted shade options
- Natural Aged Brass metalwork adds warmth and character
- Coordinating 12" pendant and bath sconce configurations

JULIP

JULIP

Julip brings a sense of nostalgia to the bath through softly traditional forms refined for today's interiors. Clear ribbed bell-shaped glass shades create sparkling texture and beautifully diffuse illumination, while the streamlined metalwork offers a lighter, more tailored interpretation of classic design. Decorative details at the socket add a subtle heritage influence without feeling ornate, striking a balance between timeless character and everyday versatility. Available in Satin Nickel, Dark Bronze, and Natural Aged Brass, Julip complements a wide range of transitional, farmhouse, and traditional spaces.

- Clear ribbed bell-shaped glass shades
- Transitional styling with classic influences
- Refined decorative socket detailing
- Available in Satin Nickel, Dark Bronze, and Natural Aged Brass

MARRAKECH

MARRAKECH

Inspired by the timeless lanterns of Morocco, this collection reinterprets global design through a refined modern lens. Graceful arches and distinctive domed roof details create an elegant silhouette that feels equally at home in traditional and contemporary settings. At its center, a cylindrical Satin White glass diffuser evokes the appearance of a candle while softly concealing the light source within. Available in three wall lantern sizes and a coordinating deck mount, Marrakech brings worldly character, warmth, and inviting ambiance at an approachable value.

- Moroccan-inspired architectural silhouette
- White glass diffuser inspired by traditional candle lanterns
- Coordinating deck mount lantern available

NEOCLASS

NEOCLASS

Two-tone frames of Black or White with internal Gold frames provides a neoclassical approach to the squared coach lantern. The sconces jut out from the wall on well-defined trusses that add a contemporary element. Delivering a classic design that suits most exteriors, this collection adds interest in the interior contrasting frame of Gold that secures clear glass panes to diffuse the lamp within.

- Die cast aluminum frames in matte Black
- Glass panels framed in Gold within matte Black fixtures
- Pendants suitable for indoor and outdoor applications
- Oversized pendants and sconces for larger buildings
- New size deck lantern

CATALINA

CATALINA

Catalina brings modern restraint to outdoor lighting with a clean rectangular frame, clear glass panels, and minimal detailing. Finished in a rich Dark Bronze with a near-black tone, the collection offers a sharp architectural presence that feels versatile and enduring. Its pared-back structure allows the lamping to become part of the design, especially when paired with vintage tubular lamps for a refined designer touch. Available in wall, pendant, post, and deck lantern configurations, Catalina delivers a cohesive exterior lighting solution for entries, garages, patios, and pathways.

- New 36" extra-large wall sconce
- Minimal rectangular frame with Clear glass
- Rich Dark Bronze finish with near-black tone
- Up-light and down-light wall configurations
- Pendant, post, and deck lantern options
- Vintage tubular lamps enhance the design

BELFRY

BELFRY

Squared columns in a Matte Black finish rise above a cylindrical glass shade, creating a modern interpretation of a classic bell tower. Designed for outdoor applications, the collection is offered with either clean Clear glass or textured Hammered glass for added character. A rectangular hook detail carries the squared geometry through to the backplate, giving the design a cohesive architectural feel. Available as outdoor pendants and wall sconces, Belfry brings a streamlined transitional look to exterior spaces. The small lantern is also available with a motion sensor and Dusk-to-Dawn photocell for added convenience.

- New hammered glass finish option
- Matte Black finish
- Anti-corrosive die cast Aluminum frame
- New MSP option

BRAMWELL VX

BRAMWELL VX

Bramwell VX captures the timeless presence of a grand coach lantern with a design rich in architectural detail. A tall, sweeping hood accented by decorative rivets crowns the stately silhouette, while textured Clear glass adds depth, character, and an authentic handcrafted appearance. Constructed from Maxim's proprietary Vivex® composite material, Bramwell VX is engineered to withstand harsh coastal environments, extreme temperatures, and years of outdoor exposure. Finished in Black Patina, the collection offers the richness and dimension of aged metal while coordinating effortlessly with today's black exterior hardware and architectural accents.

- Constructed from durable Vivex® composite material
- 5-year warranty for harsh climate performance
- Black Patina finish with rich tonal depth
- Riveted hood with classic coach lantern styling
- Textured Clear glass adds authenticity and character
- Available in wall, post, and pier mount configurations

CABANA

CABANA

A dual framed structure creates dimension on these outdoor lighting fixtures that is both contemporary and transitional. The construction consists of two frames of square tubing and squared components. The inner frame's Clear Seedy glass reduces glare from the light and appears dirt-free for longer periods. This is a comprehensive collection to brighten all areas of your outdoor space, available in various sized sconces as well as hanging and post configurations.

- Non-Corrosive Aluminum construction
- Designed for harsh climates using Maxim's Vivex
- Matte Black finish with Clear Seedy glass panels
- Comprehensive range of product types in transitional styling
- New deck lantern

LEDGE

LEDGE

Simple in design, this architectural outdoor sconce is designed with an extension at the top to cast light directly downward where needed. The LED light source is concealed within the top of the frame making this a great choice for Dark Sky applications. There is an option to purchase the black model with photocell included for convenient automated light control. In addition to the Black finish, the sconces are available in Architectural Bronze and White.

- Available in Black, Architectural Bronze, and White.
- Dark Sky Compliant
- Photocell Option
- New size meets ADA

COVE

COVE

The Cove Series offers versatile LED recessed downlighting with a focus on innovative design and easy installation. Featuring a compact remote driver and IC Airtight UL-rated outlet box, Cove eliminates the need for traditional recessed housing, streamlining installation for residential and commercial applications. Its unique concave lens reduces glare by directing light upward, reflecting it back down to deliver smooth, even illumination. Available in multiple sizes, the Cove Series combines modern technology with sleek performance, offering a reliable solution for any lighting environment.

- 4" and 6" Recessed Can Substitute
- UL Outlet Box fitted on fixture
- Dimmable with Triac Dimmer
- Good for new construction and remodels
- Indirect lighting for soft-even illumination
- IC-Rated for direct contact with insulation
- Damp Location Rated
- Fire Rated is only for 4" model with Rough-In Plate
- Title 24
- 5CCT option

CULVERT

CULVERT

Square profiles rise vertically to deliver crisp architectural lighting suitable for both residential and commercial applications. Designed with a compact footprint that meets ADA requirements, the fixture provides generous illumination while maintaining a refined, low-profile presence. Choose configurations that cast light downward for Dark Sky compliance or both upward and downward for balanced wall washing. A concealed 120-277V universal voltage LED driver is integrated within the frame for dependable performance. Finished in durable outdoor powder coats of Matte Black, Architectural Bronze, or White, this series offers a versatile and modern solution for exterior lighting.

SNUG

Snug is designed to sit tight into a 4-0 junction box, offering the lowest profile possible in a surface-mounted fixture that mimics recessed lighting. A twist-locking trim removes easily for installation, and the frame can be mudded in for an even more seamless appearance. Economically priced, Snug is ideal for residential or commercial spaces seeking a more attractive alternative to basic cans.

- Ultra-low-profile surface-mount design
- Twist-lock trim for easy installation and service
- Mud-in frame for seamless ceiling integration
- Ideal for economical residential and commercial projects
- New models

CALDERA

Designed with a recessed optical lens housed in the center of a sloped interior edge, the Caldera collection provides a luminous light source with minimal glare and intriguing beam angle. The collection's flush mounts feature an extremely small profile, extending less than 2" from the ceiling surface. With a diameter of 3.25 inches, the flush mounts also include a mud-in plate for clean architectural finishing applications as well as a cover plate for simpler installations that do not require additional preparation.

- Available in Black or White
- Range voltage 120-277V
- Clear Optical Lens
- Trim-less Construction or use of cover plate included
- New NAB finish

COLOMBO

COLOMBO

Colombo delivers modern outdoor illumination with clean architectural form and approachable value. Constructed from non-corrosive aluminum, this AC LED sconce is designed for lasting exterior performance in both residential and light commercial settings. Offered in round or square profiles, each fixture maintains an extension under 4" for ADA compliance while casting crisp, functional light. Available in Black and Architectural Bronze, Colombo brings a streamlined, practical solution to entries, corridors, patios, and exterior walls.

- Economical AC LED outdoor sconce
- Non-corrosive aluminum construction
- Round and square profile options
- ADA compliant with under 4" extension
- Available in Black and Architectural Bronze
- Ideal for residential use

SURF

SURF | 88742

Inspired by the effortless motion of a board gliding across water, Surf brings coastal performance to a sleek, sculptural fan form. Two gracefully curved ABS blades extend from a sloped body, creating a clean silhouette with distinctive movement and balance. Designed for wet locations, the fan is built with marine-grade materials suited for demanding coastal applications. A DC motor provides efficient airflow, while the included hardwired 2-wire wall control manages fan speed, light dimming, and selectable 3000K, 4000K, or 5000K color temperature. Surf pairs modern design with outdoor durability.

DRIFTER

DRIFTER | 88771|88772

Drifter captures the warmth of carved wood in a durable, wet-rated fan designed for outdoor living. Its 52" ABS blades feature sculptural depth and a graceful curve, bringing the character of solid wood with the resilience needed for patios, covered decks, and coastal-inspired spaces. Offered in both downrod and hugger configurations, the design adapts easily to different ceiling heights. An included light kit with cover plate adds flexibility, while the 2-wire DC wall control manages fan speed, dimming, and color temperature selection from 3000K, 4000K, or 5000K.

DAISIES

DAISIES | 88828

Sharing the same soft, floral design language, Daisies brings approachable style and reliable performance to everyday spaces. Five gently shaped plywood blades create a light, petal-like silhouette, with reversible Black and White finishes for easy coordination across interiors. An AC motor provides familiar functionality, while the included 3-wire wall control operates fan speed and light dimming from a single convenient location. Simple, versatile, and thoughtfully designed, Daisies offers a decorative fan solution with broad appeal and practical value.
