

PRODUCT DESCRIPTION

A steel framed acrylic shade transitional flush mount available in a variety of finishes and sizes. Featuring easy accessibility to the shade after installation, the locking mechanism that shade's frame rests on top of making removal quick for keeping clean and replacing lamps over its lifetime. For those who prefer not to re-lamp, an LED option enhances the fixture by evenly dispersing the light across the shade, and it includes additional options made for light commercial applications. This includes an emergency backup battery and range voltage inputs. Available in your choice of Satin Nickel, Satin Brass, and Black and two shade sizes.
