PRODUCT DESCRIPTION

A retro re-imagining of perforated brass shades, this collection is inspired by Scandanavian Mid-Century Modern design. The conical forms feature cut outs along the edge of the shade allowing light to illuminate downward in a spectacular lighting effect. On the ceiling suspended lights, the lighting is cast mostly upwards providing ambient light that washes the ceiling in light, while the sconces are directional providing ample light where needed.

*Height from center of outlet to the top of the fixture
