PRODUCT DESCRIPTION

Celebrating the timeless beauty of natural stone, Plinth pairs softly rounded forms with the quiet luxury of Spanish alabaster. Each oval slab is illuminated from behind, revealing intricate veining, organic character, and a warm ambient glow unique to every piece. Framed in Dark Bronze or Natural Aged Brass, the design balances sculptural simplicity with rich materiality. Offered in 16" and 24" lengths, Plinth brings an architectural presence to interiors while transforming natural stone into a luminous work of art.
