

#### PRODUCT DESCRIPTION

Inspired by the precision and artistry of classic millwork, Draughtsman fuses refined materials with a tailored silhouette to deliver an elevated lighting solution rooted in craftsmanship. Sculpted wood panels form an open cylindrical frame, flared slightly at the base for a gentle curve that evokes artisan joinery. A Satin White glass diffuser softly disperses light downward, grounding the form with warmth and clarity. Offered in two finish combinations—rich Walnut with matte Black or Whitewashed Oak with Charcoal—this collection brings a handsome, architectural touch to transitional and traditional interiors alike.
