

#### PRODUCT DESCRIPTION

Architectural and effortlessly striking, the Finch collection reimagines classic forms through a modern lens. Tapered cones of clear seedy glass are precision-cut on a diagonal slant, creating dynamic lines that shift with perspective. The Dark Bronze framework is accented with subtle Antique Brass fasteners, grounding the design with a warm, tailored contrast. Whether styled as a wall sconce, linear pendant, or cascading drop fixture, Finch brings visual movement and sculptural presence to transitional and contemporary spaces alike.
