PRODUCT DESCRIPTION

Effortlessly elegant, the biophilic design details that adorn this classic chandelier transport you to an oasis indoors. The design, whether brilliantly gilt in Gold Leaf or hand painted in a textured Anthracite finish, exudes a timeless quality that is sure to please. The graceful form of the chandeliers is constructed of slender metal tubes that sprout from a spherical collector at the center and Off-White metal candle covers. Coordinating Wall Sconces, Pendants and Flush Mount feature matching leaf clusters that allow for coordinating applications throughout the home.
