PRODUCT DESCRIPTION

With bold geometry and a globally inspired edge, the Shaka collection makes a statement in simplicity. Each cylindrical drum shade is hand-finished in hammered metal, etched with an elongated oval pattern that adds visual rhythm and soft texture. The light casts downward in warm tones made even more distinct by your choice of two finishes: a striking Black with White contrast or rich Antique Brass. Available in multiple pendant sizes and a swing arm wall sconce, the collection brings a refined, sculptural element to modern interiors.
