

**PRODUCT DESCRIPTION**

Inspired by the timeless lanterns of Morocco, this collection reinterprets global design through a refined modern lens. Graceful arches and distinctive domed roof details create an elegant silhouette that feels equally at home in traditional and contemporary settings. At its center, a cylindrical Satin White glass diffuser evokes the appearance of a candle while softly concealing the light source within. Available in three wall lantern sizes and a coordinating deck mount, Marrakech brings worldly character, warmth, and inviting ambiance at an approachable value.
