PRODUCT DESCRIPTION

Inspired by classic European lanterns and handcrafted ironwork, the Del Mar collection brings timeless sophistication to exterior spaces. Its airy open-frame silhouette is crafted of hammered iron, elegantly arched with a graceful hook detail that nods to historic gas lamps. Inside the frame, a delicate Water glass cylinder shimmers with texture, diffusing light in a soft, atmospheric glow. Designed for lasting beauty in the elements, each piece is finished in a richly layered Blacksmith finish--a deep near-black tone highlighted by silvery brushstrokes, adding artisanal character to the silhouette. Whether flanking a grand entry or lining a garden path, Del Mar offers a refined approach to outdoor lighting with enduring presence.
