PRODUCT DESCRIPTION

Whether in town or countryside, this collection of chandeliers simplifies the classic curved frame with a modern approach. Finished in your choice of Satin Brass or Matte Black, the sharply curved arms extend higher than classic proportions and support ribbed cylinders of opal white glass shades. These Satin White glasses upgrade pleated shades by form of their ribbed details. Available in two sizes of chandelier and a linear 4-light pendant, this collection finds its place at home in a variety of applications and fits in regardless of whether its town or country.
