

PRODUCT DESCRIPTION

Clear glass rods elegantly curve to drape over a metal frame, encasing an integrated LED light source within. These ornamental glass rods form a luminous curtain, softly illuminated by the LEDs. The LED light source features an adjustable color temperature, allowing you to effortlessly switch between warm 3000K, neutral 3500K, and cool 4000K settings to suit any ambiance. Suspended by intricately designed chain links, the jewel-like glass skirt adds a touch of sophistication and refinement. Choose from two stunning frame finishes: Natural Aged Brass or Polished Nickel.
