PRODUCT DESCRIPTION

Inspired by classic colonial design, these climate-tough pocket sconces offer traditional charm and stylish finish combinations. Clear glass allows unobstructed light output and visibility into the sconces with candlesticks that stand out in their off-white finish. While the outer frame is made in a textured Black Oxide finish, the interior plate is finished either in a matching finish or contrasting Antique Copper or Verdigris finish. Available as a one, two, or three-light wall sconce, this offering of pocket sconces presents another style of Vivex outdoor products complementing more traditional exteriors.

*Height from center of outlet to the top of the fixture
