

PRODUCT DESCRIPTION

This minimalistic contemporary approach to LED vanity lighting in a square profile matte white acrylic diffuser is a standard for both residential and commercial applications. The LED light engine features a smooth dimming driver with range voltage input for flexibility in project applications. The ample lighting and high color rendering index of the LEDs make this sconce the ultimate choice for vanity lighting. A 5-color toggle switch is accessible to adjust the color of the LED between warm 2700K to multiple neutral color tones and a bright 5000K making the collection complete in its offering for a variety of applications.
