

**PRODUCT DESCRIPTION**

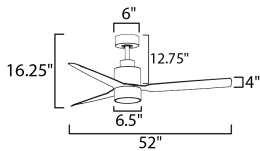

Combining sleek, modern style with a smaller housing and versatile options. Featuring a streamlined cylinder housing and weatherproof ABS blades, the Falcon is available in multiple technical configurations to suit any application. Choose a high-efficiency DC motor with Wet Location construction, ideal for outdoor use, paired with a hardwired DC wall control, or opt for more economical AC motor options with pull chain or wall control configurations. Finishes include Matte Black, Matte White, or Satin Nickel, with the option to elevate the design using Walnut hydro-transferred ABS blades. Damp or Wet Rated, the Falcon is perfect for both indoor and outdoor applications, delivering style and functionality in one sophisticated package.
