## MULTI-FAMILY LIGHTING GUIDE

# THE MAXIM ADVANTAGE

## TRUST

Maxim Lighting is the premier lighting source thanks to dedicated customer service and trusted work in lighting research & design:

- Dedicated local points of contact with reliable support from our experienced national builder team

## DISTRIBUTION

Maxim helps developers stay on schedule by maintaining a 95% fulfillment rate within our fully owned bi-coastal warehouses totaling almost one million square feet. In addition to fully stocked items, replacement parts are readily available.

## PROJECT SOLUTIONS

The MultiMax Program offers a full range of services for your project:

- Product selection guides
- Interior, amenities, and site lighting layouts
- Energy-efficient and budget-friendly lights and control solutions
- Maxim reserves stock on hold for orders
- Bottom line pricing that will keep you on budget
- Energy-efficient solutions

## INNOVATION

Maxim brands have developed products using the latest technology:

- Designing decorative LED lighting
- Continual product redesign and development
- Vivex, a proprietary outdoor rated material made to withstand harsh climates and UV-resistant
- Light Controls

## DEVELOPER REWARDS

The MultiMax Program delivers cost savings through:

- Tailored incentive programs that fit your organization's needs
- Offering a broad range of products at a variety of price points
- Custom manufacturing and logistics solutions

**DIVERSE SURFACE MOUNT**
